

CARIBE LAKES HOME OWNERS ASSOCIATION

CLUBHOUSE RENTAL INFORMATION

The clubhouse is available for rental only to the residents of properties located within Caribe Lakes. We also supply you with the 2 tables and the 40 chairs that are used for the Board of Directors meetings, in order to help you enjoy your events and save you money.

The clubhouse is rented for a period of maximum of 5 hours*** and the charge for the clubhouse is \$300.00. We also require a deposit of \$300.00 that will be returned to the residents after the clubhouse is inspected and returned in a clean fashion. Due to parking problems that exist within our community, it is also required that the services of the party supervisor be hired through our office during the hours of the activities. All the necessary forms are available at our office if you are interested in renting out the clubhouse. (All of the income earned from the clubhouse rentals is used for further enhancements in our community and for enhancements of our clubhouse without adding further costs to the homeowners, so it benefits us when we rent it out for assorted activities.)
