Commencing upon the date this Declaration is recorded, the Association shall be responsible for the maintenance of the Association Property in a continuous and satisfactory manner without cost to the general taxpayers of the County. The Association shall be responsible for the payment of real estate taxes, if any, against the Association Property including taxes on any Improvements and any personal property thereon accruing from and after the date this Declaration is recorded.

REC.C. Maintenance Easements.

1. Preamble: Caribe Lakes is comprised of residence which have been designed and site planned as "zero lot line" homes and residences which share a common Party Wall and common roof, such that the residences are constructed so that all or portions of one side or both sides of the residence (and fences or masonry walls extending from such side or sides) are situated on the side boundary lines of the Lot. Because of this design, it is necessary to provide a means by which the Association and the Owner of a Lot ("Dominant Lot") may have access to the "zero lot line" sides of a Home (and other portions of his Lot and Home) in order to maintain portions of the Lot, the side of a Home, the roof, and other applicable portions of a Home and Lot, and so that rain water may run off the roof of a particular Home onto the easement area described below. Because such access must be, of necessity, over those portions of the neighboring Lot or Lots ("Servient Lot(s)") adjacent to the "zero lot line" side(s) of a Home, Declarant hereby makes provision for the "Maintenance Easements" declared and regulated pursuant to this Section 6 (as well as similar easements for the aforesaid purposes which may, but need not, appear on the Plat or Additional Plat).

2. Creation and Extent of Maintenance Easement: Declarant hereby reserves a permanent and perpetual non-exclusive maintenance easement in favor of each Dominant Lot over the unimproved portion of the Servient Lot(s) adjacent to the building lines of the Home located on the Dominant Lot, which building lines are co-extensive with the Lot lines dividing the aforesaid Lots ("Maintenance Easement"). Said Maintenance Easement shall be appurtenant to and pass with the title of the Dominant Lot and the Servient Lot(s). The Maintenance Easement shall be only as extensive as reasonably necessary to permit the Owner of a Dominant Lot to make the uses described in the Preamble above, subparagraph (3) below and for rainwater run-off but in no event, less than the greater of seven (7) feet in width or as may be otherwise shown as an access or similar easement on the Plat or any Additional Plat.

3. Use and Conditions of Maintenance Easement: The Owner of a Dominant Lot, his guests, invitees, contractors, subcontractors, suppliers, laborers and other service personnel, shall be entitled to enter onto the appurtenant Maintenance Easement for purposes of maintaining, repairing and replacing portions of his Lot and Home including, without limitation, the Home's walls, roof, fence, landscaping and other installations which cannot be conveniently or properly maintained, repaired or replaced solely from the Dominant Lot. The right of each Owner of the Dominant Lot to use the Maintenance Easement shall be limited to the aforesaid uses and such Owner shall not do anything within the Servient Lot(s) which shall cause damage to the Servient Lot(s) or any Improvement or landscaping thereon which is not promptly and fully remedied by said Owner to return such damaged Improvement or landscaping to the condition immediately preceding said damage, create an undue hazard to persons or pets located on or coming into

OFF. REC. 17403P 2012

the Servient Lot(s) or is in furtherance of any activity as to the Dominant Lot or the Home thereon which is, or would result in, a violation of the restrictions set forth in the Caribe Lakes Documents. The Owner of the Dominant Lot shall, by virtue of making use of any Maintenance Easement, be deemed to indemnify the Owner of a Servient Lot for any and all losses, costs, expense or damage to any person or property incurred by reason of the former's violations of the restrictions contained herein.

4. Servient Lot Owner Duties: Owners of Servient Lots shall not make any improvement to the Servient Lot, including, without limitation, the placement of fences or landscaping, which would unreasonably interfere with the permissible uses of any maintenance or access easement appurtenant to the adjoining Dominant Lot reserved hereby.

5. Reciprocity: Each Owner, by acceptance of a deed for a Lot, hereby acknowledges and agrees that such Owner's Lot may not only be a Dominant Lot having rights across adjacent Servient Lots as hereinbefore described but also a Servient Lot encumbered by the easement rights hereinbefore described in favor of the Dominant Lots adjacent to such Lot.

D. Easement to Enter Upon Lots. An easement or easements for ingress and egress in favor of the Association, including the Board or the designee of the Board, to enter upon the Lots for the purposes of fulfilling its duties and responsibilities of ownership, maintenance and/or repair in accordance with the Caribe Lakes Documents, including, by way of example, the making of such repairs, maintenance or reconstruction as are necessary for the Association Property and to maintain any Lot, including the Lakes and any Buffer thereon, if any, in the event the Owner thereof fails to do so.

E. Easement Over Association Property. An easement of enjoyment in favor of all Owners, their family members, guests, invitees and lessees in and to the Association Property which shall be appurtenant to and shall pass with title to every Lot in the Property, subject to the following:

1. the right of the Association to grant permits, licenses and easements over the Association Property for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Property; and

2. all provisions set forth in the Caribe Lakes Documents.

F. Easement for Roof Overhang. An easement or easements to provide for the roof overhang in favor of an Owner including rights of access for persons or equipment necessary to maintain, repair and replace such roof overhang.

G. Drainage and Irrigation Easement. An easement for drainage, flowage and irrigation over, under and upon the Property,

including each of the Lots, in favor of the Association and each of the Owners, including, but not limited to, reasonable rights of access for persons and equipment to construct install, maintain, alter, inspect, remove, relocate and repair the water drainage system, flowage pipes and irrigation pipes.

Section 7. ASSIGNMENTS. The easements reserved hereunder may be assigned by Declarant or the Association in whole or in part to any city, County or state government or agency thereof, or any duly licensed or franchised public utility, or any other designee of Declarant. The Owners hereby authorize Declarant and/or the Association to execute, on their behalf and without further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of this Declaration.

Notwithstanding anything in this Declaration to the contrary, all easement rights reserved or granted to Declarant shall terminate upon Declarant no longer holding title to any Lot or Home on the Property for sale in the ordinary course of business or holding a leasehold interest to any Lot or holding a mortgage on a Lot or Home on the Property. In addition, the easement rights granted or reserved by Declarant hereunder are not to be construed as creating an affirmative obligation to act on the part of Declarant.

ARTICLE V
MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION:
BOARD; DURATION OF THE ASSOCIATION

Section 1. MEMBERSHIP AND VOTING RIGHTS. Membership in the Association shall be established and terminated as set forth in the Articles. Section 2. BOARD. The Association shall be governed by the Board which shall be appointed, designated or elected, as the case may be, as set forth in the Articles.

COVENANT TO PAY ASSESSMENTS; ESTABLISHMENT OF LIENS:
COLLECTION OF ASSESSMENTS; COLLECTION BY DECLARANT:
CERTAIN RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES

Section 1. AFFIRMATIVE COVENANT TO PAY ASSESSMENTS. In order to: (i) fulfill the terms, provisions, covenants and conditions contained in the Caribe Lakes Documents; and (ii) maintain, operate and preserve the Association Property for the use, safety, welfare and benefit of the Members and their family members, guests, invitees and lessees, there is hereby imposed upon each

OFF. REC. 17403P3014

Contributing Lot and Contributing Lot Owner the affirmative covenant and obligation to pay to the Association (in the manner herein set forth) all Assessments, including, but not limited to, the Individual Lot Assessments and Special Assessments. Each Owner other than Declarant by acceptance of a deed or other instrument of conveyance conveying a Lot within the Property, whether or not it shall be so expressed in such deed or instrument, shall be obligated and agrees to pay to the Association all Assessments in accordance with the provisions of the Caribe Lakes Documents.

The following expenses of the Association are hereby declared to be Operating Expenses which the Association is obligated to assess and collect, and which the Contributing Lot Owners are obligated to pay as provided herein or as may be otherwise provided in the Caribe Lakes Documents:

1. any and all taxes and tax liens which may be assessed or levied at any and all times against the Association Property or against any and all personal property Improvements thereon;

2. all charges levied for utilities providing services for the Association Property such as water, gas, electricity, telephone, cable television, sanitation, sewer and any type of utility or any other type of service charge which is not separately billed to an Owner;

3. the premiums on policies of insurance including, but not limited to, fidelity insurance coverage and liability and casualty insurance for the Association Property;

4. the premium for flood insurance if the Association elects to purchase flood insurance for the Association Property;

5. any sums necessary, including reserves, for the maintenance, repair and replacement of the Association Property and all Improvements located thereon;

6. administrative and operational expenses; and

7. any and all expenses deemed to be Operating Expenses by the Association.

The Operating Expenses with respect to the Association Property are payable by each Contributing Lot Owner to the Association notwithstanding the fact that Declarant may not have as yet conveyed title to the Association Property to the Association.

Section 2. ESTABLISHMENT OF LIENS. Any and all Assessments made by the Association in accordance with the provisions of the Caribe Lakes Documents with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Contributing Lot against which each such Assessment is made. Each Assessment against a Contributing Lot, together with Interest thereon and

costs of collection, including, but not limited to, Legal Fees, shall be the personal obligation of the Contributing Lot Owner of such Contributing Lot. Said lien shall be effective only from and after the time of the recordation amongst the Public Records of the County of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a satisfaction of the statement of lien in recordable form. Such Assessments shall be a lien superior to any other liens save and except tax liens and mortgage liens, unless the lien for Assessments is recorded before the mortgage lien. Notwithstanding anything to the contrary herein contained, where an Institutional Mortgagee of record obtains title to a Contributing Lot as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such acquiror of title, its successors or assigns, shall only be liable for the share of Assessments pertaining to such Contributing Lot or chargeable to the former Contributing Lot Owner thereof which became due 6 months prior to the acquisition of title as a result of the foreclosure or deed in lieu thereof, unless the Assessment against the Contributing Lot in question is secured by a claim of lien for Assessments that is recorded prior to the recordation of the mortgage which was foreclosed or with respect to which a deed in lieu of foreclosure was given.

Section 3. COLLECTION OF ASSESSMENTS. In the event any Contributing Lot Owner shall fail to pay any Assessment, or installment thereof, charged to such Contributing Lot Owner within fifteen (15) days after the same becomes due, then the Association, through its Board, shall have any and all of the following remedies to the extent permitted by law, which remedies are cumulative and which remedies are not in lieu of, but are in addition to, all other remedies available to the Association:

1. To accelerate the entire amount of any Assessments for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.

2. To advance on behalf of the Contributing Lot Owner(s) in default funds to accomplish the needs of the Association up to and including the full amount for which such Contributing Lot Owner(s) is liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees, may thereupon be collected by the Association from the Contributing Lot Owner(s) and such advance by the Association shall not waive the default.

3. To file an action in equity to foreclose its lien at any time after the effective date thereof as provided in Section 2 hereinabove. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.

4. To file an action at law to collect said Assessment plus Interest and all costs of collection thereof, including, but not limited to, Legal Fees, without waiving any lien rights or rights of foreclosure in the Association.

5. To charge Interest on such Assessment from the date it becomes due, as well as a late charge of TWENTY-FIVE DOLLARS (\$25) by the Association to defray additional collection costs.

Late charges

Section 4. COLLECTION BY DECLARANT. In the event for any reason the Association shall fail to collect the Assessments, Declarant shall at all times have the right (but not the obligation): (i) to advance such sums as the Association could have advanced as set forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant, together with Interest and costs of collection, including, but not limited to Legal Fees; using the remedies available to the Association against a Contributing Lot Owner as set forth in Section 3 above, which remedies are hereby declared to be available to Declarant.

Section 5. RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES TO PAY ASSESSMENTS AND RECEIVE REIMBURSEMENT. Declarant and any Institutional Mortgagee(s) shall have the right, but not the obligation, jointly or singularly, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Contributing Lot(s). Further, Declarant and any Institutional Mortgagees shall have the right, but not the obligation, jointly or singularly, and, at their sole option, to pay insurance premiums or fidelity bond premiums or other required items of Operating Expenses on behalf of the Association where the same are overdue and where lapses in policies or services may occur. Declarant and any Institutional Mortgagees paying overdue Operating Expenses on behalf of the Association will be entitled to immediate reimbursement from the Association plus Interest and any costs of collection including, but not limited to, Legal Fees, and the Association shall execute an instrument in recordable form to this effect and deliver the original of such instrument to each Institutional Mortgagee who is so entitled to reimbursement and to Declarant if Declarant is entitled to reimbursement.

ARTICLE VII
METHOD OF DETERMINING ASSESSMENTS
AND ALLOCATION OF ASSESSMENTS

Section 1. DETERMINING AMOUNT OF ASSESSMENTS. The total anticipated Operating Expenses for each calendar year shall be set forth in the budget ("Budget") prepared by the Board as required under the Caribe Lakes Documents. The total anticipated Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) shall be apportioned equally among the total number of Lots by dividing the total anticipated Operating Expenses as reflected by the Budget, other than those Operating Expenses which are properly the subject of a Special Assessment (adjusted as hereinafter set forth), by the total number of Lots, with the quotient thus arrived at being the "Individual

OFF. REC. 17403PC3017

Lot Assessment." Notwithstanding anything in the Caribe Lakes Documents to the contrary, any assessment for legal expenses incurred by the Association to begin legal proceedings against Declarant shall be deemed an Operating Expense which is properly the subject of a Special Assessment and not the subject of a regular Individual Lot Assessment.

Section 2. ASSESSMENT PAYMENTS. The Individual Lot Assessments shall be payable quarterly, in advance, on the first day of January, April, July and October of each year, provided, however, at the Association's option, Individual Lot Assessments may be payable monthly. The Individual Lot Assessments, and the quarterly installments thereof, as well as all Assessments provided for herein and all installments thereof may be adjusted from time to time by the Board to reflect changes in the Budget or in the event that the Board determines that the Assessments or any installment thereof is either less than or more than the amount actually required. Until the "Turnover Date" (as defined in the Articles), the Declarant shall be exempt from paying any Individual Lot Assessment. However, the Declarant shall be responsible, until the Turnover Date, to pay to the Association the shortfall between the actual cost of maintaining the Association Property minus any Individual Lot Assessments collected from the Contributing Lot Owners and actual expenditures made by the Association in maintaining the Association Property.

Section 3. SPECIAL ASSESSMENTS. "Special Assessments" include, in addition to other Assessments designated as Special Assessments in the Caribe Lakes Documents and whether or not for a cost or expense which is included within the definition of "Operating Expenses," those Assessments which are levied for capital improvements which include the costs (whether in whole or in part) of constructing or acquiring improvements for, or on, the Association Property or the cost (whether in whole or in part) of reconstructing or replacing such improvements. Notwithstanding anything to the contrary herein contained, it is recognized and declared that Special Assessments shall be in addition to, and are not part of, any "Individual Lot Assessment." Any such Special Assessments assessed against any Lot and Lot Owners thereof shall be paid by such Lot Owners in addition to any other assessments. Special Assessments shall be assessed in the same manner as the Individual Lot Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine. Notwithstanding the foregoing, the levying of any Special Assessment after the Turnover Date, except for any Special Assessment levied pursuant to Article IX Section 1. E. hereinbelow, shall require the affirmative assent of at least two-thirds (2/3) of all Contributing Lot Owners represented in person or by proxy at a meeting called and held in accordance with the Bylaws. Prior to the Turnover Date, a Declarant controlled Board may make a Special Assessment without the consent of the Contributing Lot Owners.

Section 4. LIABILITY OF CONTRIBUTING OWNERS FOR INDIVIDUAL ASSESSMENTS. By the acceptance of a deed or other instrument of conveyance of a Lot in the Property, each Owner thereof

acknowledges that each Contributing Lot and the Contributing Lot Owners thereof are jointly and severally liable for their own Individual Lot Assessment and their applicable portion of any Special Assessments as well as for any and all other Assessments for which they are liable as provided for herein. Such Contributing Lot Owners further recognize and covenant that they are jointly and severally liable with the Contributing Lot Owners of all Contributing Lots for collective Individual Lot Assessments of all the Contributing Lot Owners (subject to any specific limitations provided for herein such as, but not limited to, the limitation with respect to matters of Special Assessments and the limitations on the liability of Institutional Mortgagees and their successors and assigns). Accordingly, subject to such specific limitations, it is recognized and agreed by each Owner who is or becomes a Contributing Lot Owner, for himself and his heirs, executors, successors and assigns, that in the event Contributing Lot Owners fail or refuse to pay their Individual Lot Assessment or any portion thereof or their respective portions of any Special Assessments or any other Assessments, then the other Contributing Lot Owners may be responsible for increased Individual Lot Assessments or Special Assessment or other Assessments due to the nonpayment by such other Contributing Lot Owners, and such increased Individual Lot Assessment or Special Assessment or other Assessment can and may be enforced by the Association and Declarant in the same manner as all other Assessments hereunder as provided in the Caribe Lakes Documents.

Section 5. WORKING CAPITAL CONTRIBUTION. Each Owner who purchases a Lot with a Home thereon from Declarant shall pay to the Association at the time legal title is conveyed to such Owner, a "Working Capital Contribution." The Working Capital Contribution shall be an amount equal to a two months' share of the annual Operating Expenses applicable to such Lot pursuant to the initial Budget (which may be different from the Budget in effect at the time of closing). The purpose of the Working Capital Contribution is to insure that the Association will have cash available for initial start-up expenses, to meet unforeseen expenditures or to acquire additional equipment and services deemed necessary or desirable by the Board. Working Capital Contributions are not advance payments of Individual Lot Assessments and shall have no effect on future Individual Lot Assessments, nor will they be held in reserve. Working Capital Contributions may be used to offset Operating Expenses.

Section 6. WAIVER OF USE. No Owner, other than Declarant, may exempt himself from personal liability for assessments duly levied by the Association. No Owner may release the Lot owned by him from the liens and charges hereof either by waiver of the use and enjoyment of the Association Property and the facilities thereon or by abandonment of his Home.

ARCHITECTURAL CONTROL COMMITTEE

Section 1. MEMBERS OF THE COMMITTEE. The Architectural Control Committee, sometimes referred to in this Declaration as the "Committee", shall consist of three members. The initial members of the Committee shall consist of persons designated by Declarant. Each of said persons shall hold office until all Lots and Homes have been conveyed or at such earlier time as the Declarant may, at its sole option, elect. Thereafter, each new member of the Committee shall be appointed by the Board and shall hold office until such time as he has resigned or has been removed or his successor has been appointed, as provided herein. Members of the Committee, other than those designated by the Declarant, may be removed at any time without cause. The Board shall have the sole right to appoint and remove all members of the Committee other than those designated by the Declarant.

Section 2. REVIEW OF PROPOSED CONSTRUCTION.

* A. Subject to Section B of this Section 2, [no buildings, fences, walls, pools, roofs, gutters or rain spouts, antennae, aerials, external enclosures (including entry screen and patio screen enclosures), landscaping (including hedges and massed plantings) or other Improvements shall be commenced, erected, installed, altered, modified, painted, planted, or maintained on the Property, including the Lots, nor shall any canopy, shutters, or window coverings be attached to or placed upon outside walls or roofs of any Home or building by any Owner other than Declarant until and unless two (2) complete sets of the plans and specifications prepared by an architect, landscape architect, engineer or other person found to be qualified, showing the nature, dimensions, materials and location of the same have been submitted to and approved in writing by the Committee.]

* B. The Committee shall approve proposals of plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated will not be detrimental to the appearance of the surrounding area of the Property as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures and is otherwise desirable. The Committee may also issue rules or guidelines setting forth procedures for the submissions of plans and specifications. If the proposed construction, alterations or additions are to a portion of the Improvements which the Association is obligated to maintain, said approval shall also be subject to approval by the Board. The Committee may condition its approval of proposals in such a manner as it deems appropriate and may require the submission of additional information prior to approving or disapproving such plans.]

such plans shall be deemed approved, provided that, in any event, no such addition, construction or alteration shall be made by any Owner which is detrimental or inconsistent with the harmony, appearance or general scheme of the Property as a whole. >

*D. No landscaping or other Improvements on the Lake Lots which interfere with the view of the Lake by immediate neighbors who are also Lake Lot Owners shall be permitted. In its review of proposed plans and specifications of landscape design and materials for Lake Lots, including, but not limited to, any massed plantings, the Committee will take into consideration the effect on Lake views of such landscaping, both at the proposed time of installation and at the time when maximum growth shall have occurred. The only fence type allowed on the back and sides of a Lake Lot shall be a wood or aluminum rail picket fence, with the rails no closer together than three inches (3") on center and having a height of no greater than seventy two inches (72"). Notwithstanding anything to the contrary in this Declaration, such wood or aluminum rail picket fence is the only type of fence which the Committee may approve for installation on the back or sides of a Lake Lot. ✓

*E. Notwithstanding any provision in this Article to the contrary, the approval of the Committee shall not be required for any additions, changes or alterations within any Home, if such additions, changes or alterations are not visible from outside of such Home. All changes and alterations shall be subject, independently, to all applicable governmental laws, statutes, ordinances, rules and regulations.

*F. Notwithstanding anything to the contrary herein contained, no construction, reconstruction, addition or alteration by Declarant shall require the prior approval or any certificate of consent of the Committee.

Section 3. MEETINGS OF THE COMMITTEE. The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time by resolution unanimously adopted in writing, designate a Committee representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 9 hereof. In the absence of such designation, the vote of any two members of the Committee shall constitute an act of the Committee. ✓

Section 4. NO WAIVER OF FUTURE APPROVALS. The approval of the Committee of any proposals of plans and specifications or drawings for any work done or proposed shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any identical or similar proposal subsequently or additionally submitted for approval or consent, whether such submission is by that applicant or another applicant.

Section 5. COMPENSATION OF MEMBERS. The members of the Committee shall receive no compensation for services rendered, ✓

other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 6. INSPECTION OF WORK. Inspection of work and correction of defects therein shall proceed as follows:

A. Upon the completion of any work for which approved plans are required under this Article, the submitting party shall give written notice of completion to the Committee.

B. Within thirty (30) days after written notice of completion, the Committee or its duly authorized representatives may inspect such Improvement. If the Committee finds such work was not done in substantial compliance with the approved plans it shall notify the submitting party in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the submitting party to remedy such noncompliance.

C. If upon the expiration of fifteen (15) days from the date of such notification, the submitting party shall have failed to remedy such noncompliance, notification shall be given to the Board in writing of such failure. Upon such notice and hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If noncompliance exists, the submitting party shall remedy or remove the same within a period of not more than thirty (30) days from the date of announcement of the Board's ruling. If the submitting party does not comply with the Board's ruling within such period, the Board, at its option, may either remove the Improvement or remedy the noncompliance, and the submitting party shall reimburse the Association, upon demand, for all expenses incurred in connection therewith, including Interest and Legal Fees. If such expenses are not promptly repaid by the submitting party to the Association, the Board shall levy a Special Assessment against such submitting party for reimbursement, and said Special Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as liens for Operating Expenses.

D. If, for any reason, notification is not given to the submitting party of acceptance within thirty (30) days after receipt of said written notice of completion from the submitting party, the Improvement and/or alteration shall be deemed to be in noncompliance with said approved plans.

Section 7. NON-LIABILITY OF COMMITTEE MEMBERS. Neither the Committee nor any member thereof, nor its duly authorized Committee representative, nor Declarant, shall be liable to the Association or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's duties hereunder, unless due to the willful misconduct or bad faith of a member and only that member shall have any liability. The Committee's review and approval or disapproval of plans submitted to it for any proposed Improvement shall be based solely on considerations of the overall benefit or

detriment to the community as a whole. The Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes. Furthermore, approval by the Committee of any plans and specifications does not excuse any Owner from also receiving approvals as required by all applicable governmental agencies.

Section 8. VARIANCE. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. If such variances are granted no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the Improvements for which the variance was granted.

ARTICLE IX
MAINTENANCE REPAIR OBLIGATIONS

Section 1. BY THE ASSOCIATION.

A. The Association, at its expense, shall be responsible for the maintenance, repair and replacement of all of the Association Property. Should any damage be caused to any Home by virtue of the Association's failure to maintain the Association Property as herein required or by virtue of any work which may be done or caused to be done by Association in the maintenance, repair or replacement of any Association Property, the Association shall, at its expense, repair such damage. The Association shall not, however, be responsible for any damages by reason of loss of use, hardship, distress any Owner's time or any other consequential, incidental or punitive damages.

B. The Association may operate, maintain and repair a water sprinkler system constructed over, through and upon the Association Property as it shall deem appropriate. There is hereby reserved in favor of the Association the right to enter upon the Association Property for the purpose of operating, maintaining, repairing and replacing a water sprinkler system over, through and upon the Association Property.

C. The Association shall be responsible for the maintenance, repair and replacement of all private streets and concrete walls located upon the Association Property and there is hereby reserved in favor of the Association the right to enter upon any and all parts of the Association Property and Lots for such purpose. The Association may, to the extent permitted by the appropriate governmental authority, also provide maintenance of all City, County, district or municipal properties which are located within or in a reasonable proximity of the Property to the extent that their deterioration or unkempt appearance would adversely affect the appearance of the Property, including the right to enhance the landscaping in any public rights of way. Finally, the Association

may, at such times as it is providing for maintenance of the private streets, also elect to repair, replace and otherwise provide for and maintain the parking areas within the Lots.

D. The Association, by action of its Board, may make minor and insubstantial alterations and Improvements to the Association Property having a cost not in excess of FIVE THOUSAND DOLLARS (\$5,000). All other alterations and Improvements must first be approved by the Owners of not less than two-thirds (2/3) of the total voting interests of the Association. No alteration or Improvement may be made to the Association Property which materially and adversely affects the rights of the Owner of any Lot to the enjoyment of his Lot or the Association Property unless the Owner and all mortgagees holding recorded mortgages on such Lot consent thereto in writing. ✓

E. All expenses incurred by the Association in connection with the services and maintenance described in Paragraphs A through D, inclusive, are Operating Expenses, payable by each Owner under the provisions of this Declaration concerning Assessments. Should the maintenance, repair or replacement provided for in Paragraphs A through D of this Section 1 be caused by the negligence or misuse by an Owner, his family, guests, servants, invitees, or lessees he shall be responsible therefor, and the Association shall have the right to levy a Special Assessment against the Owner of such Lot, and said Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as liens for Operating Expenses.

F. The Association has the reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of Caribe Lakes.

Section 2. BY THE OWNERS.

A. The Owner of each Lot must keep and maintain the Lot and the Improvements thereon, including equipment and appurtenances, in good order, condition and repair, and must perform promptly all maintenance and repair work within his Home which, if omitted, would adversely affect Caribe Lakes, the other Owners or the Association and its Members. The Owner of each Lot shall be responsible for any damages caused by a failure to so maintain such Lot and Home. The Owners' responsibility for maintenance, repair and replacement shall include, but not be limited to, all of the physical structure constructed in, upon or below the Lot, and physical items attached or connected to such structure that run beyond the boundary line of the Lot which exclusively service or benefit the Lot and Home. The painting, caulking and maintenance of the exterior surface of the walls, doors, windows and roof of the physical structure of the Home shall be done by the Owner, and, the exterior surface of such walls, doors, windows and roof shall at all times be maintained in a good and serviceable condition with no damage or other defect therein by the Owner. However, an Owner cannot change the color or appearance of any exterior part of the Home unless the prior approval of the Architectural Control ✓

Committee is obtained. The Owner of a Lot further agrees to pay for all utilities, such as telephone, cable television, water, sewer, sanitation, electric, etc., that may be separately billed or charged to each Home. The Owner of each Lot shall be responsible for insect and pest control within the Lot and Home. Whenever the maintenance, repair and replacement of any items which an Owner is obligated to maintain, repair or replace at his own expense, is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair or replacement, except that the Owner shall be, in said instance, required to pay such portion of the costs of such maintenance, repair and replacement as shall, by reason of the applicability of any deductibility provision of such insurance or otherwise, reduce the amount of the insurance proceeds applicable to such maintenance, repair or replacement.

B. The Party Walls and Common Roofs shall be maintained by the Owners which are physically served by said Party Wall and Common Roof as follows:

1. Each Owner shall be responsible for maintaining that portion of the Party Wall within the interior of such Owner's Home and that part of the Common Roof over such Owner's Home in good condition and repair.

2. No Owner may modify or alter a Party Wall or Common Roof without the express written permission of the other Owner who is served by said Party Wall and Common Roof and in no event may the structural integrity of any building be affected. ✓

3. In the event of casualty, insurance proceeds shall be used to immediately reconstruct a Party Wall with each Owner being responsible for half (½) of reconstruction and in the event of a deficiency as a result of an Owner being underinsured, the Owner who is underinsured shall be personally responsible for any deficiency. Either Owner may initiate said reconstruction activities upon a notice of undertaking granted to the other Owner. In the event of casualty damage to a Common Roof each Owner shall promptly repair and reconstruct that portion of the Common Roof covering such Owner's Home, but shall cooperate with all other Home Owner's so that the Common Roof will be uniform in appearance and shall be free from leaks, or other damage attributed to such repair.

4. Should either Owner sharing a Party Wall desire to replace the building now on such Owner's respective Home with a new building, that Owner shall have the privilege of cutting into the wall to erect and install the necessary posts, columns, and supports for the new building. Such Owner shall have the further privilege to enter on the property of the other Owner and construct thereon the necessary footing for such posts, columns and supports insofar as it may be necessary to place the footing on the property

of the other Owner, and insofar as the footing may be constructed without injury to the property of the other Owner.

5. Neither Owner shall decrease the Party Wall's thickness, and all additions thereto or extension thereof shall be of at least the same thickness as the Party Wall as it currently exists and shall be constructed of the same or similar materials and of like quality. All such additions or extensions shall be constructed in uniformity with all laws, ordinances, and regulations of Dade County of the State of Florida then in effect. No such additions or extension shall injure the adjoining Owner or in any way impair the benefits and support which the Party Wall provides to the adjoining building.

C. The Owner of each Lot shall maintain and care for any lawns which are encompassed within the Lot. "Maintenance and care" within the meaning of this Subsection "C" shall include irrigating, mowing, edging, fertilizing, and spraying of lawns, and replacement of sod. All lawns shall be maintained free from unsightly bald spots or dead grass and shall be uniform in texture and appearance with surrounding lawns in Caribe Lakes.

D. The Owner of each Lot shall maintain and care for all landscaping encompassed within the Lot. "Maintenance and care" within the meaning of this Subsection "D" shall include irrigating, fertilizing, spraying and trimming of landscaping and replacement of same so that, at a minimum, the initial landscaping for the Lot provided by the Declarant shall be maintained.

E. If a Home is damaged by fire or other casualty, its Owner shall properly and promptly restore it to at least as good a condition as it was before the casualty occurred. Any such work shall be in accordance with the original plans and specifications of the Home unless otherwise authorized by the Board and shall be otherwise subject to all provisions of Article VIII hereof.

F. Each Owner shall keep his Home insured in an amount not less than its full replacement value against loss or damage by fire, windstorm, or other hazards. Evidence of such coverage shall be furnished to the Association promptly upon the Board's request. The Association and the adjacent Owners shall be named as additional insureds with respect to any Party Walls and Common Roofs covered by such insurance.

G. If an Owner fails to comply with the foregoing provisions of this Section 2, the Association may proceed in court to enforce compliance. Further, if the failure to comply relates to the Owner's obligations to maintain insurance, the Association shall be entitled, although not obligated, to obtain the required coverage itself and to levy on the offending Owner a Special Assessment equal to the cost of premiums, and any such Special Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for Operating Expenses.

OFF.
REC. 17403P13026

H. If a failure to comply with the provisions of this Section 2 relates to the Owner's obligation to maintain the Home, Party Wall, Common Roof or landscaping, then, in addition to the exercise of all other remedies, the Association shall have the right to secure those services necessary to correct such failure to comply and to impose the cost of such corrective action upon the noncomplying Owner, provided the following procedures are adhered to:

1. Notice. The Association shall notify the Owner in writing of the noncompliance and set forth the corrective action to be taken. Included in the notice shall be the date and time of the next Board meeting. The Owner shall immediately take the necessary corrective action or appear at the Board meeting to contest the corrective action. Any such notice shall be given at least five (5) days prior to the date of the Board meeting at which the Owner may be heard.

2. Hearing. Should the Owner not take the required corrective action, the noncompliance shall be presented to the Board after which the Board shall hear reasons why corrective action should not be taken. A written decision of the Board shall be submitted to the Owner not later than twenty-one (21) days after said meeting.

3. Assessment. Should the Owner not then take the required corrective action within seven (7) days of the Board's written decision, the Board shall undertake the corrective action at the Owner's cost. The cost of collective action, if any, shall be paid not later than thirty (30) days after notice of the imposition for Assessment of the said cost. Such cost shall be treated as an Assessment subject to the provisions for the collection of Assessments as otherwise set forth herein.

Section 3. DAMAGE TO BUILDINGS. Any Home which has suffered damage may apply through the Owners thereof for approval to the Architectural Control Committee for reconstruction, rebuilding, or repair of the Improvements therein. The Architectural Control Committee shall grant such approval only if upon completion of the work the exterior appearance will be substantially similar to that which existed prior to the date of the casualty. If the obligation for repair falls upon the Association, Architectural Control Committee approval will not be required prior to the commencement of such work, so long as the exterior appearance will be substantially similar to that which existed prior to the date of the casualty.

The Owner or Owners of any damaged building, the Association, and the Architectural Control Committee shall be obligated to proceed with all due diligence hereunder and the responsible parties shall commence reconstruction within three (3) months after the damage occurred and complete reconstruction within one (1) year after the damage occurs, unless prevented by causes beyond his or its reasonable control.

The Declarant shall be exempt from the provisions of this Section 3, provided that any such reconstruction, rebuilding or repairs made by the Declarant shall be consistent, as to the exterior appearance, with the Improvements as they existed prior to the damage or other casualty.

ARTICLE X
INSURANCE

Section 1. ASSOCIATION PROPERTY. The Board of Directors shall maintain:

Public liability insurance in reasonable amounts, as the Board of Directors in good faith determines, covering each Association Member, Officer, Director, and the Managing Agent, if any, against liability for any negligent act of commission or omission attributable to them which occurs on or in the Association Property;

B. Hazard, Fire and malicious mischief endorsements, insuring the facilities on the Association Property, in an amount equal to their full replacement values;

Section 2. HOMES. As set forth above, each Owner shall obtain and maintain adequate insurance for his Home which shall insure the property for its full replacement value, with no deductions for depreciation, against loss by fire or other hazards. Such insurance shall be sufficient to cover any reconstruction work. The purpose of such insurance shall be to protect, preserve and provide for the continued maintenance and support of Homes.

ARTICLE XI

All of the Property shall be held, used, and enjoyed subject to the following limitations and restrictions, and any and all additional rules and regulations which may, from time to time, be adopted by the Association;

Section 1. ENFORCEMENT. Failure of an Owner to comply with such rules and regulations shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof.

In addition to all other remedies and in the sole discretion of the Board, a fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, invitees, lessees or

Any such notice shall be given at least five (5) days prior to the date of the Board meeting at which the Owner may be heard.

B. Hearing. Should the Owner still be in noncompliance, the noncompliance shall be presented to the Board after which the Board shall hear reasons why a fine should or should not be imposed. A written decision of the Board shall be submitted to the Owner not later than twenty-one (21) days after said meeting.

C. Payment. A fine shall be paid not later than thirty (30) days after notice of the imposition of the fine.

D. Fines. A fine shall be treated as an Assessment subject to the provisions of the collection of Assessments as otherwise set forth herein, and shall constitute a lien upon the applicable Lot or Home. The fine shall be allocated as provided in the Declaration.

E. Action by Association. In addition to imposing a fine and when it shall be deemed appropriate, the Association shall have the right (i) to undertake the corrective action not performed by the noncomplying Owner and (ii) to be reimbursed by the Owner for any and all costs associated therewith.

F. Non-Exclusive Remedy. These fines shall not be construed to be exclusive and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled. However, any penalty paid by the offending Owner shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner.

Section 2. NUISANCES. No obnoxious or offensive activity shall be carried on about the Lots, or in or about any Improvements, Homes, or on any portion of Caribe Lakes, nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Homes which is a source of annoyance to Owners or occupants of Homes or which interferes with the peaceful possession or proper use of the Homes or the surrounding areas. No loud noises or noxious odors shall be permitted in any Improvements, Homes or Lots. Section 3. PARKING AND VEHICULAR RESTRICTIONS. Parking upon the Property shall be restricted to the drive and garage located upon each Lot. No parking on the streets, lawns and Landscaped Areas or swales is permitted. No Owner shall keep any vehicle on the Lots which is deemed to be a nuisance by the Board. No Owner shall conduct repairs taking more than twenty-four (24) hours (except in an emergency or except within the garage of the Home with the garage door closed) or restorations of any motor vehicle, boat, trailer, or other vehicle upon the Lots. No bus or tractor-trailer or any other truck larger than a full-size pickup truck may be parked on the Property, except temporarily as in the case of a moving van or other such vehicle necessary to provide service to an Owner and with the exception of any vehicles necessary for any construction activity being performed by or on behalf of Declarant.

Section 4. NO IMPROPER USE. No improper, offensive, hazardous or unlawful use shall be made of any Home nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the Property. Section 5. LEASES. No portion of a Home (other than a residence) may be rented. All leases shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles, the Bylaws, applicable rules and regulations, or of any other agreement, document or instrument governing the Lots or Homes. The Owner of a leased Home shall be jointly and severally liable with his tenant for compliance with the Caribe Lakes Documents and to the Association to pay any claim for injury or damage to property caused by the negligence of the tenant. Every lease shall be subordinated to any lien filed by the Association whether before or after such lease was entered into.

Each Owner who determines to keep a pet thereby agrees to indemnify the Association and Declarant and hold them harmless against any loss or liability of any kind or character whatsoever arising from or growing out of his having any animal on the Property.

Section 7. ADDITIONS AND ALTERATIONS. No Home shall be enlarged by any addition thereto or to any part thereof, and no Owner shall make any improvement, addition, or alteration to the exterior of his Home including, without limitation, the painting, staining, or varnishing of the exterior of the Home, including doors and garage doors, without the prior written approval of (i) the Committee as set forth in Article VIII of this Declaration, which approval may be withheld for purely aesthetic reasons, and (ii) all applicable governmental entities.

Section 8. INCREASE IN INSURANCE RATES. No Owner may engage in any action which may reasonably be expected to result in an increase in the rate of any insurance policy or policies covering or with respect to any portion of the Property not owned by such Owner.

Section 9. SLOPES AND TREES. No Owner may engage in any activity which will change the slope or drainage of Lot. No additional trees are permitted to be planted on the Property without the prior written consent of Declarant for as long as Declarant owns a Lot, and thereafter without the prior written consent of the Board.

Section 10. SIGNS. Except a for sale or a for rent sign that is no larger than an 80" square, no sign, display, poster, or other advertising device of any kind may be displayed in public view of any portion of any building or other improvement in the Property without the prior written consent of the Board. Signs, regardless of size, used by Declarant, its successors or assigns, for advertising during the construction and sale period of Caribe Lakes or other communities developed and/or marketed by Declarant or its affiliates and other reasonable signs authorized by Declarant shall be exempt from this Section. Such sign or signs as Declarant may be required to erect under the terms of an Institutional Mortgage shall be exempt from this Section.

Section 11. TRASH AND OTHER MATERIALS. No rubbish, trash, garbage, refuse, or other waste material shall be kept or permitted on the Lots and/or Association Property, or other portions of the Property, except in sanitary, self-locking containers located in appropriate areas, and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, offensive, detrimental or a nuisance to Owners or to

any other property in the vicinity thereof or to its occupants. No clothing or other household items shall be hung, dried, or aired in such a way as to be visible from the Association Property or another Lot. No stripped-down vehicles, lumber or other building materials, grass, tree clippings, metals, scrap, automobile pieces or parts, refuse, or trash shall be stored or allowed to accumulate on any portion of the Property, except within an enclosed structure approved by the Committee and appropriately screened from view (except when accumulated during construction by Declarant, during construction approved by the Committee, or when accumulated by the Association for imminent pick-up and discard).

Section 12. TEMPORARY STRUCTURES. No tent, shack, shed or other temporary building or improvement, other than separate construction and sales trailers to be used by Declarant, its agents and contractors, for the construction and sale of Caribe Lakes or other communities, shall be placed upon any portion of the Property, either temporarily or permanently. No trailer, motor home or recreational vehicle shall be: (a) used as a residence, either temporarily or permanently, or (b) parked upon the Property.

Section 13. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, boring or mining operations of any kind shall be permitted upon or on any Lot nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 14. SEWAGE DISPOSAL. No individual sewage disposal system shall be permitted on any of the Property; provided that a central sewage disposal system is being operated in accordance with the requirements of the governmental regulatory body having jurisdiction over said central system.

Section 15. WATER SUPPLY. No individual water supply system shall be permitted on any of the Property provided that a central water supply system is being operated in accordance with requirements of the governmental body having jurisdiction over said central system, except that wells are permitted for the irrigation of landscaping only.

Section 16. FENCES. Any fence placed upon any Lot must be approved by the Committee, as provided in Article VIII hereof, prior to installation. In no event may a fence be placed in the area between the front of a Home, and the Street, Drive, Road or Roadway at the front of the Lot on which the Home is situated. In the event that the Board or the Committee, in its sole discretion, determines that a fence is not acceptable, the Board or the Committee may require the Owner to remove the fence; and, if the Owner does not comply in a timely fashion, the Board or the Committee may cause the fence to be removed and assess any and all expenses of such removal against the Owner as a Special Assessment. The Owner assumes complete responsibility to maintain the fence, including, but not limited to, trimming any grass, ivy or other

plants from the fence. In the event the Committee approves the installation of a fence, it shall also have the right to require installation of landscaping, also subject to the committee's approval, at the time the fence is installed.

Section 17. ANTENNAE. No antennae, microwave receiving devices or satellite receiving devices shall be permitted to be placed or erected on any Lot or other portion of the Property.

Section 18. DECLARANT EXEMPTION. Declarant plans to undertake the work of constructing Homes and Improvements upon the Property and may undertake the work of constructing other buildings upon adjacent land or other property being developed or marketed by Declarant or its affiliates. The completion of that work and the sale, rental and other transfer of Homes is essential to the establishment and welfare of the Property as a residential community. In order that such work may be completed and a fully occupied community established as rapidly as possible, neither Owners, the Association, nor the Architectural Control Committee shall do anything to interfere with Declarant's activities.

In general, the restrictions and limitations set forth in this Article shall not apply to the Declarant or to Lots owned by the Declarant. Declarant shall specifically be exempt from any restrictions which interfere in any manner whatsoever with Declarant's plans for development, construction, sale, lease, or use of the Property and to the Improvements thereon. Declarant shall be entitled to injunctive relief for any actual or threatened interference with its rights under this Article in addition to whatever remedies at law to which it might be entitled.

ARTICLE XII
DAMAGE OR DESTRUCTION TO ASSOCIATION PROPERTY

Section 1. Damage to or destruction of all or any portion of the Association Property shall, notwithstanding any provision in this Declaration to the contrary, be handled as follows:

A. If insurance proceeds are sufficient to effect total restoration of damaged or destroyed Association Property, then the Association shall cause such Association Property to be repaired and reconstructed substantially as it previously existed.

B. If insurance proceeds are insufficient to effect total restoration, and the cost of restoration exceeds such proceeds by TWENTY-FIVE THOUSAND DOLLARS (\$25,000) or less, then the Association shall cause the Association Property to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as an Assessment proportionally against each of the Contributing Lots in accordance with the provisions of Article VI herein.

C. If the insurance proceeds are insufficient to effect total restoration and the cost of restoration of the Association

OFF. 17403P3033

Property exceeds said proceeds by over TWENTY-FIVE THOUSAND DOLLARS (\$25,000), then by the written consent or vote of a majority of the voting interests, they shall determine whether: (a) to rebuild and restore in substantially the same manner as the Improvements existed prior to the damage or destruction and to raise the necessary funds by levying equal construction Assessments against all Lots; (b) to rebuild and restore in a manner less expensive in replacing these Improvements; or (c) to not rebuild and to retain available insurance proceeds. In the event it is decided that the damaged or destroyed Association Property shall not be rebuilt, the remains of any structure or structures shall be torn down and hauled away, so as not to be a safety hazard or visual nuisance, and the land shall be fully sodded and landscaped or otherwise treated in an attractive manner. Notwithstanding anything contained herein to the contrary, no decision not to rebuild or to rebuild in a manner which would result in a change in the Improvements shall be effective without the prior written approval of Declarant as long as Declarant owns all or any portion of the Property.

D. Each Owner shall be liable to the Association for any damage to the Association Property not fully covered or collected by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his family, lessees, invitees and guests, both minors and adults.

E. In the event that the repairs and replacements were paid for by any Special Assessments as well as insurance proceeds and regular Assessments, then, if after the completion of and payment for the repair, replacement, construction or reconstruction there shall remain any excess in the hands of the Association, it shall be presumed that the monies disbursed in payment of any repair, replacement, construction and reconstruction were first disbursed from insurance proceeds and regular Assessments and any remaining funds shall be deemed to be the remaining Special Assessments which shall be returned to the Lot Owners by means of a pro rata distribution in accordance with the collection of such Special Assessments.

Association Property, if available under the National Flood Insurance Program, shall be purchased, which flood insurance shall be in the form of a standard policy issued by a member of the National Flood Insurers Association, and the amount of the coverage of such insurance shall be the lesser of the maximum amount of flood insurance available under such program, or one hundred percent (100%) of the current replacement cost of all buildings and other insurable property located in the flood hazard area.

Section 7. CONDEMNATION. In the event the Association receives any award or payment arising from the taking of any Association Property or any part thereof as a result of the exercise of the right of condemnation or eminent domain, the net proceeds thereof shall first be applied to the restoration of such taken areas and improvements thereon to the extent deemed advisable by the Board and approved by at least two-thirds (2/3) of the total voting interests, and the remaining balance thereof, if any, shall then be

distributed pro rata to Owners and mortgagees of Lots as their respective interests may appear.

Section 8. WAIVER OF SUBROGATION. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Declarant and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement of said persons, but only to the extent that such insurance proceeds are received in compensation for such loss.

Any notice or other communication required or permitted to be given or delivered hereunder shall be deemed properly given and delivered upon the mailing thereof by United States mail, postage prepaid, to: (i) any Owner, at the address of the person whose name appears as the Owner on the records of the Association at the time of such mailing and, in the absence of any specific address, at the address of the Home owned by such Owner; and (ii) the Association, certified mail, return receipt requested, at 14260 S.W. 119th Avenue, Miami, Florida 33186-6110, or such other address as the Association shall hereinafter notify Declarant and the Owners of in writing; and (iii) Declarant, certified mail, return receipt requested, at 14260 S. W. 119 Avenue, Miami, FL 33186-6110, or such other address or addresses as Declarant shall hereafter notify the Association of in writing, any such notice to the Association of a change in Declarant's address being deemed notice to the Owners.

Section 3. ENFORCEMENT. The covenants and restrictions herein contained may be enforced by Declarant (so long as Declarant holds an equitable or legal interest in any Lot and/or Home), the Association, any Owner and any Institutional Mortgagee holding a mortgage on any portion of the Property in any judicial proceeding seeking any remedy recognizable at law or in equity, including damages, injunction or any other form of relief against any person, firm or entity violating or attempting to violate any covenant, restriction or provision hereunder. The failure by any party to enforce any such covenant, restriction or provision herein contained shall in no event be deemed a waiver of such covenant, restriction or provision or of the right of such party to thereafter enforce such covenant, restriction or provision. The prevailing party in any such litigation shall be entitled to all costs thereof including, but not limited to, Legal Fees.

The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of recreational facilities and Association Property. Article, Section and Paragraph captions, headings and titles inserted throughout this Declaration are intended as a matter of convenience only and in no way shall such captions, headings or titles define, limit or in any way affect the subject matter or any of the terms and provisions thereunder or the terms and provisions of this Declaration.

Whenever the context so requires or admits, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns and pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

In the event that any court should hereafter determine that any provision of this Declaration is in violation of the rule of property known as the "rule against perpetuities" or any other rule of law because of the duration of a time period, such provision shall not thereby become invalid, but instead the duration of such time period shall be reduced to the maximum period allowed under such rule of law, and in the event the determination of the duration of such time period requires measuring lives, such measuring life shall be that of the incorporator of the Association.

Section 6. CERTAIN RIGHTS OF DECLARANT. 2. Where only one (1) spouse is present at a meeting, the person present may cast the Lot vote without establishing the concurrence of the other spouse, absent any prior written notice to the contrary by the other spouse. In the event of prior written notice to the contrary to the Association by the other spouse, the vote of said Lot shall not be considered, but shall count for purposes of establishing a quorum.

3. Where neither spouse is present, the person designated in a "Proxy" (as defined in the Bylaws) signed by either spouse may cast the Lot vote, absent any prior written notice to the contrary to the Association by the other spouse or the designation of a ✓

I. A quorum shall consist of persons entitled to cast at least thirty percent (30%) of the total number of votes of the Members.

ARTICLE VI

9.3. In administering the finances of the Association, the following procedures shall govern: (i) the fiscal year shall be the calendar year; (ii) any monies received by the Association in any calendar year may be used by the Association to pay expenses incurred in the same calendar year; (iii) there shall be apportioned between calendar years on a pro rata basis any expenses which are prepaid in any one calendar year for Operating Expenses which cover more than such calendar year; (iv) Assessments shall be made quarterly in amounts no less than are required to provide funds in advance for payment of all of the anticipated current Operating Expenses and for all unpaid Operating Expenses previously incurred; and (v) items of Operating Expenses incurred in a calendar year shall be charged against income for the same calendar year regardless of when the bill for such expenses is received. Notwithstanding the foregoing, the Assessments for Operating Expenses and any periodic installments thereof shall be of sufficient magnitude to insure an adequacy and availability of cash to meet all budgeted expenses in any calendar year as such expenses are incurred in accordance with the cash basis method of accounting.

9.4. The Individual Lot Assessment shall be payable as provided for in the Declaration.

9.5. No Board shall be required to anticipate revenue from Assessments or expend funds to pay for Operating Expenses not budgeted or which shall exceed budgeted items, and no Board is required to engage in deficit spending. The Board may at any meeting of the Board adopt rules and regulations or amend, modify or rescind then existing rules and regulations for the operation of Caribe Lakes; provided, however, that such rules and regulations are not inconsistent with the terms or provisions of the Caribe Lakes Documents. Copies of any rules and regulations promulgated, amended or rescinded shall be mailed or delivered to all Members at the last known address for such Members as shown on the records of the Association at the time of such delivery or mailing and shall not take effect until forty-eight (48) hours after such delivery or mailing, or, in the event both forms of notification are used, whichever is later. Notwithstanding the foregoing, where rules and regulations are to regulate the use of specific portions of the Association Property, same shall be conspicuously posted at such facility and such rules and regulations shall be effective immediately upon such posting. Care shall be taken to insure that posted rules and regulations are conspicuously displayed and easily readable and that posted signs or announcements are designed with a view towards protection from weather and the elements. Posted rules and regulations which are torn down or lost shall be promptly replaced.

Section 11. Parliamentary Rules

The then latest edition of Robert's Rules of Order shall govern the conduct of meetings of all Members and the Board; provided, however, if such rules of order are in conflict with any of the Caribe Lakes Documents, Robert's Rules of Order shall yield to the provisions of such instrument.

(ii) by the affirmative vote of a majority of the Directors then in office at any regular meeting of the Board or at any special meeting of the Board called for that purpose or by written instrument signed by all of the Directors as is permitted by these Bylaws, provided that the Directors shall not have any authority to adopt, amend or repeal any Bylaw if such new Bylaw or such amendment or the repeal of a Bylaw would be inconsistent with any Bylaw previously adopted by the Members.

13.3. Notwithstanding any of the foregoing provisions of this Section 13 to the contrary, until the Turnover Date, all amendments or modifications to these Bylaws and adoption or repeal of Bylaws shall only be made by action of the First Board as described in the Articles, which First Board shall have the power to amend, modify, adopt and repeal any Bylaws with the consent of 67% of the Members.

13.4.
